Region 10 Choruses and Region 10 Chapter at large and Member at Large members:

Calling all interested Dual Members to beautiful San Antonio, Texas and on to International Stage in St. Louis, Mo.

As 2017 comes to a close and the New Year begins the Alamo Metro Chorus is hard at work preparing to take the International Stage in St. Louis, Mo. We would like to formally invite you to "Join Us in St Louis" from October 15 - 21, 2018. If you are planning on attending you might as well sing with us!

Here's the "fine print":

- You will need to pass a private quartet audition on "Auld Lang Syne" (one of our contest songs). **AMC will be available to hold private auditions at the upcoming Winter Regional Weekend, January 19-21, 2018 in Houston or any regular Thursday rehearsal at 6:30 pm.** (Please advise either Mary Ann or Ronda when you are ready).
- We are asking that you notify us of your intentions to **dual with AMC by January 2, 2018**, although Guests and New members are Welcome anytime.
- We ask that you plan to be with us at least once a month (more if possible), attend all scheduled coaching sessions, retreats and that you pass the contest set and choreography. Choreo and audio learning media will be made available to all qualified dual members.
- We ask that you try to compete for evaluation with AMC at Regional Competition in March 2018. This is not mandatory but would be much appreciated to provide for accurate feedback from the Judges.
- We ask that you be prepared to arrive at the International competition on Tuesday, October 16, 2018 with AMC's first rehearsal onsite scheduled for Wednesday, October 17, 2018 through Saturday, October 20, 2018. We will rehearse Wednesday then Semi finals on Thursday. Then who knows the Sky's the Limit!!

So "Meet Me in St Louis" by contacting our Member Services Manager, Ronda Perez at 210-287-8777 or rondamperez@yahoo.com. She will send you a copy of the sheet music and learning tracks for "Auld Lang Syne".

We hope that you will join Alamo Metro Chorus in their "wildcard" journey to the Gateway to the West and **Meet Me in St Louis**, Mo. Please share this with the rest of your chorus and other Sweet Adelines!
